

Dear Langston Parents,

It is important that your student is present for all scheduled testing. Please avoid making appointments on these days and help prevent unnecessary absences. Make sure your student comes to school ready to give their best effort.

Our school policy of no electronic devices (e.g., cellphone, smartphone/watch camera) applies to testing. Students may not use any device that could allow them to view, access, retain, or transmit information for any state-mandated assessment. Only students who use an electronic device for documented medical purposes may be allowed access to the device during testing. If a student has an unauthorized device during state testing, this is a testing violation and will result in disciplinary action and may invalidate the student's test. Thank you for understanding and assistance.

David F. Wooten, Principal
